

# *Woman to Woman*®

**A multi-faith, multi-cultural, health and spirituality  
program for women**

"One of the longest running series produced by Boston Catholic TV. This weekly spirituality series Features host Dr. Georgianna Donadio-McCormack. While the show's format has changed over the years, Georgianna's energetic personality has not. For almost two decades, she has brought viewers panel discussions of women from different faiths, one-on-one interviews with woman leaders in the Catholic Church and given solo talks on issues that are central to the Catholic Faith."
